It's EASY to help support your

**Siletz
Public
Library**

The SILETZ VALLEY FRIENDS OF THE LIBRARY supports the Siletz Public Library, library services and library development in the Siletz Valley area. The organization serves as the advisory board for the Siletz Library to the Lincoln County Library District which manages, staffs and provides books, supplies and equipment for the library. The City of Siletz owns the property (land and building) but provides no maintenance.

In 2006, the **SILETZ VALLEY FRIENDS OF THE LIBRARY (SVFOL)** completed the funding and building of the new library for the Siletz area. The Siletz Public Library now provides an appealing, attractive and accessible environment. It supplies space for library programs, extended collections, modern technology and meets Oregon Library Association Public Library Standards. It also has a meeting room to accommodate community needs for groups and individuals. In 2013, **SVFOL** raised \$20,000 and repainted our Library.

SVFOL has created a permanent art display of local, high-quality artists' examples of baskets in metal, wood, glass, beads, gourd, and textile materials and includes two traditional Siletz baskets donated by local patrons. The **SVFOL Endowment Fund**, which will support future repairs and scheduled maintenance, is an ongoing campaign. Used books are on sale at the library to support other activities. Cash donations are always welcome to help support maintenance costs and special programs.

Your membership and donations can help keep our library strong and alive!
